Annie Here,

I just want to take this opportunity to thank you for your booking.

I have over 20 years experience of working together with couples, helping them to create the perfect atmosphere that will symbolize their unique Union through their chosen music on their wedding day.

As we work together over the coming months, we will achieve this and more.

I am quite a versatile vocalist with contemporary training. So whether you want classical, traditional, vintage or eclectic, We can achieve this. Your music your way.

I am always available via email or on the other end of the phone. We aim to have one face to face meeting if schedules permit. Failing that, we will use skype or video call.

Any questions, please don't be afraid to contact me. Or if you feel I could add to this form. Please let me know.

*Oh and Yes! If it's not on the list I can just go and learn it. I look forward to working with you,
Annie.xxx*

Wedding Ceremony song list For Church Wedding

Anne-Marie Powderly Wedding Music

www.annmariepowderlymusic.ie

Below is the layout of music for your Church Ceremony. I have included both Traditional and Non-traditional options.

Please check with your Priest the type of music he will allow in The Church. Most prefer Hymns only until the full ceremony has finished so in this case at Register and Finale, secular songs may be introduced.

**if there are any songs you would like added to this list, please let me know. I am always adding to my extensive repertoire. Just a wee bit of advance notice will suffice!!*

Songlist for Civil Ceremony (Just a sample)

Anne-Marie Powderly Wedding Music
www.annmariepowderlymusic.ie

The Civil Ceremony typically lasts 30 minutes. During the Ceremony, the Solemniser suggest 4-5 pieces of music.

Please note that Religious songs eg. The Irish Wedding song or Pie Jesu are generally not permitted during HSE officiated Civil Ceremonies.

The Civil Ceremony is much more tailored to the couple and they can choose any songs or music.

*Below is just a **guideline**. There are countless songs I could add to this list but just a wee snippet to make it easier. I am always adding to this list to reflect every couple's music preferences. Please feel free to make any suggestions.*

Terms of service

Your booking will be confirmed by email when I have received your booking form together with your Booking fee.

Booking fees are non-refundable

The overall fee includes, where possible a face to face meeting with you, the couple. Failing that I will arrange a skype or video call and I am always contactable by phone and email.

The remainder can be paid the week of your wedding or on the day via bank transfer or cash on the day of your wedding. Please arrange a family member or the best man to come up to me before the ceremony begins!

If you would like a family member or friend to sing a song/hymn during the ceremony and if this requires a practice, an additional fee of €25 per hour is applicable to the overall price and travel expenses may also apply.

Travel expenses are fixed at €25 per hour with the first hour of travel free.

If you must postpone your wedding, I will transfer to your new date if it is available.

In the unlikely event that I have to cancel your booking. The onus will be on me to find you a suitable replacement.

With regard to singing at your Ceremony or Drinks reception outdoors. I use amplification for both guitar and vocals and as you can imagine, I have invested a lot to ensure that my PA system is of the highest standard.

However, due to Health and safety reasons, if the ground is damp and the weather is unsettled, I will be unable to use outdoor amplification unless the hotel is willing to provide me with a canopy.

Anne-Marie Powderly Wedding Music

www.annmariepowderlymusic.ie

Alternatively, I will sing without amplification and I should be placed beside the celebrant and Bride and Groom .

It is my goal to create the perfect atmosphere for your Ceremony and/or drinks reception. I endeavor to honour all music requests where possible. While I accompany all songs with guitar, it is also possible on some occasions to use a track on request.
